KYLE HOOPII LITTLEJOHN

Strategy & Operations Leader | Enterprise Transformation | AI-Augmented Execution

+1 (540) 604-3405 · khlittlejohn@gmail.com · kylelittlejohn.com · New York, NY

SUMMARY

Strategy, operations, and program management leader with 12+ years across enterprise SaaS, Media, Financial Services, Biotech, and Healthcare, combining executive-level strategic partnership with hands-on program delivery. Partnered with the C-suite through Kaseya's $350M to $1.75B growth and ran the 16-business-unit, 12-partner operating cadence behind AMC Networks' AMC+ launch and 65% digital revenue growth. Serves as the operator senior leaders hand their hardest cross-functional mandates to, translating priorities into execution systems and holding teams accountable without formal authority, using AI-augmented workflows to sharpen visibility and cut manual prep time. Currently builds hands-on AI and founder-level operating experience independently while pursuing a full-time Strategy & Operations or Chief of Staff role.

KEY ACHIEVEMENTS

Strategic Growth & Enterprise Scaling

Partnered with C-suite leadership through Kaseya's $350M to $1.75B growth, owning the KPI infrastructure and board-level reporting that guided investment decisions across $1B+ in revenue.

Transformation & Operational Optimization

Led multiple transformation initiatives across Procurement, Legal, HR, and Operations at bluebird bio, delivering $1M+ in annualized savings through vendor renegotiation and process redesign.

Platform Strategy & Cross-Functional Delivery

Ran the 16-business-unit, 12-partner operating cadence at AMC Networks with no direct authority, cutting execution cycle time ~30%, and led AMC+ launch delivery, driving 65% digital revenue growth.

Built 120+ Agent AI Operating System

Designed, built, and personally run a production system of 120+ specialized AI agents handling daily research, drafting, and reporting, with a human approval gate before anything reaches an inbox.

EXPERIENCE

Director, Strategy & Client Delivery

2020 – 2026 · Remote

SOL Consulting

Held Account Manager ownership of AMC Networks throughout, adding Senior Technical Project Manager and Senior Program Manager scope at SOL Consulting as it grew from 4 to 90+ people.

Senior Program Manager, FAST / AVOD Marketing (AMC Networks)

- Aligned 16 business units and 12 external partners, coordinating 10 concurrent initiatives without direct authority.
- Directed partner platform integration across 32 distribution channels, maintaining execution consistency.
- Built the governance frameworks and operating cadences that cut execution cycle time ~30%, replacing status-chasing with real-time visibility for leadership.
- Wrote executive briefings, board-style updates, and internal communications so senior leadership walked into every decision already informed and holding a clear point of view.

Senior Technical Project Manager, Digital Transformation (AMC Networks)

- Led platform strategy and execution for AMC+, aligning Product, Engineering, and Marketing on release milestones that contributed to a 65% increase in AMC's digital revenue.
- Directed technical release coordination across Product, Engineering, QA, and Marketing, driving go-live readiness.
- Translated business priorities into execution plans, aligning roadmap, engineering, and go-to-market throughout the AMC+ launch.
- Synthesized status across multiple workstreams into one executive narrative, replacing scattered stand-ups with a single weekly read the leadership team could act on directly.

Account Manager (AMC Networks)

- Ran the operating relationship between SOL Consulting and AMC Networks executives, including a direct partnership with the CEO.
- Set account strategy for the AMC Networks portfolio, growing it from $280K to $2.1M annually through sustained scope growth and contract renewals.
- Owned engagement margin and delivery oversight for a team of 8 consultants, managing performance and hitting margin targets.
- Brokered escalations between client executives and delivery leadership, turning friction points into agreed paths forward and protecting the engagement through each contract renewal.
- Helped scale SOL Consulting from roughly 4 people to 90-plus, building the delivery and accountability infrastructure that let a scrappy firm reach repeatable, scaled execution.

Senior Manager, Strategic Finance & Business Operations — 2018 – 2020 · New York, NY

Kaseya

Partnered with C-suite leadership through Kaseya's $350M to $1.75B growth, owning the performance management and cross-functional alignment across a $1B+ SaaS organization.

- Built the post-close operating system that brought 14 acquired companies onto one set of plans, reporting, and metrics, giving leadership a single view of a fast-consolidating portfolio.
- Contributed the financial narrative and data room materials behind Kaseya's $500M+ TPG/Insight Partners financing round.
- Partnered with C-suite and Executive Leadership to monitor performance across $1B+ in revenue, advising on investment and acquisition strategy across the portfolio.

Consulting Manager — 2017 – 2018 · New York, NY

AArete

Partnered with executive stakeholders at a biotech client to lead operational transformation and cost optimization, turning cross-functional process reviews into $1M+ in annualized savings.

Team Lead (bluebird bio)

- Directed multiple transformation initiatives across Procurement, Legal, HR, and Operations, delivering over $1M in annualized savings through vendor renegotiation, product utilization optimization, and purchasing process redesign.
- Led cross-functional contract reviews across Finance, Legal, HR, and Operations, negotiating improved vendor terms and reducing costs across multiple spend categories.
- Negotiated improved vendor pricing across Procurement and Operations, capturing cost savings without compromising SLA quality.

Senior Consultant / Consultant — 2014 – 2017 · New York, NY

Optimity Advisors

Delivered enterprise transformation and compliance work across Financial Services, Healthcare, and Media & Entertainment clients, with a focus on execution and governance.

Technical Business Analyst (Moody's)

- Gathered and translated business requirements for a next-generation internal credit rating platform, partnering with stakeholders to define functional specifications and support development.
- Supported Agile delivery across the SDLC, managing requirements and user stories in JIRA, contributing to 20% efficiency gains.

Project Manager (CareFirst BlueCross BlueShield)

- Led implementation of a new small-business health insurance product within a 7-project program, meeting regulatory timelines.
- Tracked project progress, risks, and dependencies, keeping business and operational teams aligned for successful, on-time delivery.

Strategy Consultant (Beacon Health)

- Interviewed client-facing and clinical provider teams to diagnose organizational inefficiencies, then built the executive presentations and financial models behind Beacon Health's company-wide reorganization.
- Supported implementation of the approved reorg, helping Beacon Health cut operating costs 15% while improving process efficiency 25% over the course of a 6-month engagement.

Systems Analyst Intern — Summer 2013 · Reston, VA

Maximus

Supported enterprise technology delivery for New York State's government technology programs, bridging business, engineering, and delivery teams across the full systems development lifecycle.

- Translated business and operational requirements into technical specifications for development teams, supporting the delivery of enterprise software solutions for New York State's government technology programs.
